

General Booster Meeting December 4, 2007

Kelli Dougher-

Opened with invocation.

Band Directors Report-(given by Kelli Dougher)

Mr. Canfield requested funds for a composite picture. Kelli informed the booster that we have already budgeted approximately \$350-\$400 annually for pictures. Need to get 1 composite, 3 pictures-one drum majors and two from state marching contest.

Minutes by Richelle Barnaby-

Minutes were accepted as read with corrections.

Treasury Report by Joyce Heitmiller-

December Report	Previous balance-\$6,556.01
	Total deposits-\$5,864.96
	Total expenses-\$6,271.37
	Balance on hand-\$6,149.60

Treasury Report stands as read. Joyce mentioned that there was an error in previous report. Have already corrected but entered an item twice. Will have more have full report next meeting.

Fund Raising by Kelli Dougher-

Discussed how to sell the cups we ordered as a fundraiser. Richelle made a motion to have students volunteer at school activities, such as volleyball or basketball games, selling the cups for \$6.00 a piece. That the student would get \$3.5 toward their NYC trip and \$2.5 of it would go back to the booster for the cost of the cup. Trudy seconded. Robin suggested having the students sign out cups to sell. At this time we will try selling the cups at school activities before allowing students to check them out. Vote unanimous. Robin also mentioned selling them at Albertson's maybe along with the passbook. Was also mentioned selling at jingle run or musical.

Will be auctioning desserts again at the winter concert. Need help setting up. Kelli suggested items or services of donation to sell again.

Kelli went over Tina's funding raising information:

Tina sent letters to dealers for next year selling raffle tickets to get a car. Several schools participate in this fundraiser but only one person is awarded a new automobile. The school keeps the money from the raffle sales. Has already requested Honda.

Furniture-has faxed request to donate a room of furniture.

Alliance Office System will donate different levels of money ranging from \$25-\$100. The donation will be based on if the band booster referred a copier sold. The amount of the donation would be based on specific type of copier purchased. Trudy made a motion to list the copier referral fundraiser on newsletter and website. Deanda seconded. No discussion. Motion passed unanimously.

Concessions by Vickie Jordan-

- Cost is \$100 to get a manager food permit that will allow us to grill.
- Health inspector came by during one game and was pleased overall but did give us a few things we can or cannot do.
- Didn't spend all the funds budgeted for equipment for concession stands. So will be purchasing a popcorn popper after the first of next year.

Uniform Committee by April Kirwan-

Need help for fitting-time TBD. Deanda will clarify with April on when to schedule. Will need to check with Mr. Canfield on when is a good time, but will need completed by the 18th. This fitting is just for jackets but will hem pants if needed.

Loading Crew/Trailer Report by Charles Ullrich-

- Need logos
- Citigroup donated \$500 from parent volunteer.

Old Business-

Signs are here.

New Business-

Robin requested posting when the booster meeting is on the web page.

Kelli adjourned the meeting.
